## Staff Perfusionist – Arlington, VA \*\$5,000 Sign-on Bonus\*

### Description

\$5000.00 Sign-on Bonus

Any candidate who goes through Perfusion Life will receive a \$5000.00 sign-on Bonus.

**We are seeking an experienced Perfusionist to join our accomplished cardiovascular team!**

This professional uses his/her clinical expertise, specialized knowledge of extracorporeal technology, and medical therapy to maintain life support of critically ill patients. In consultation with the cardiovascular surgeon or other physician, the perfusionist uses independent activity and decision making to ensure safe and effective patient management while on extracorporeal circulation or cardiac assist.

The Cardiovascular Surgery department performs over 350 cases/year. Hours can vary from 6am-6pm Monday-Friday with 1/3 on call requirement. Experience required.

### Qualifications

- Board Certification by the American Board of Cardiovascular Perfusion
- Minimum of two years of experience
- Bachelors degree in biological or health sciences preferred.
